5. Team2Share Trainers' App Functions

After these overview, we now describe how you will navigate through the App and launch to learning chapters.

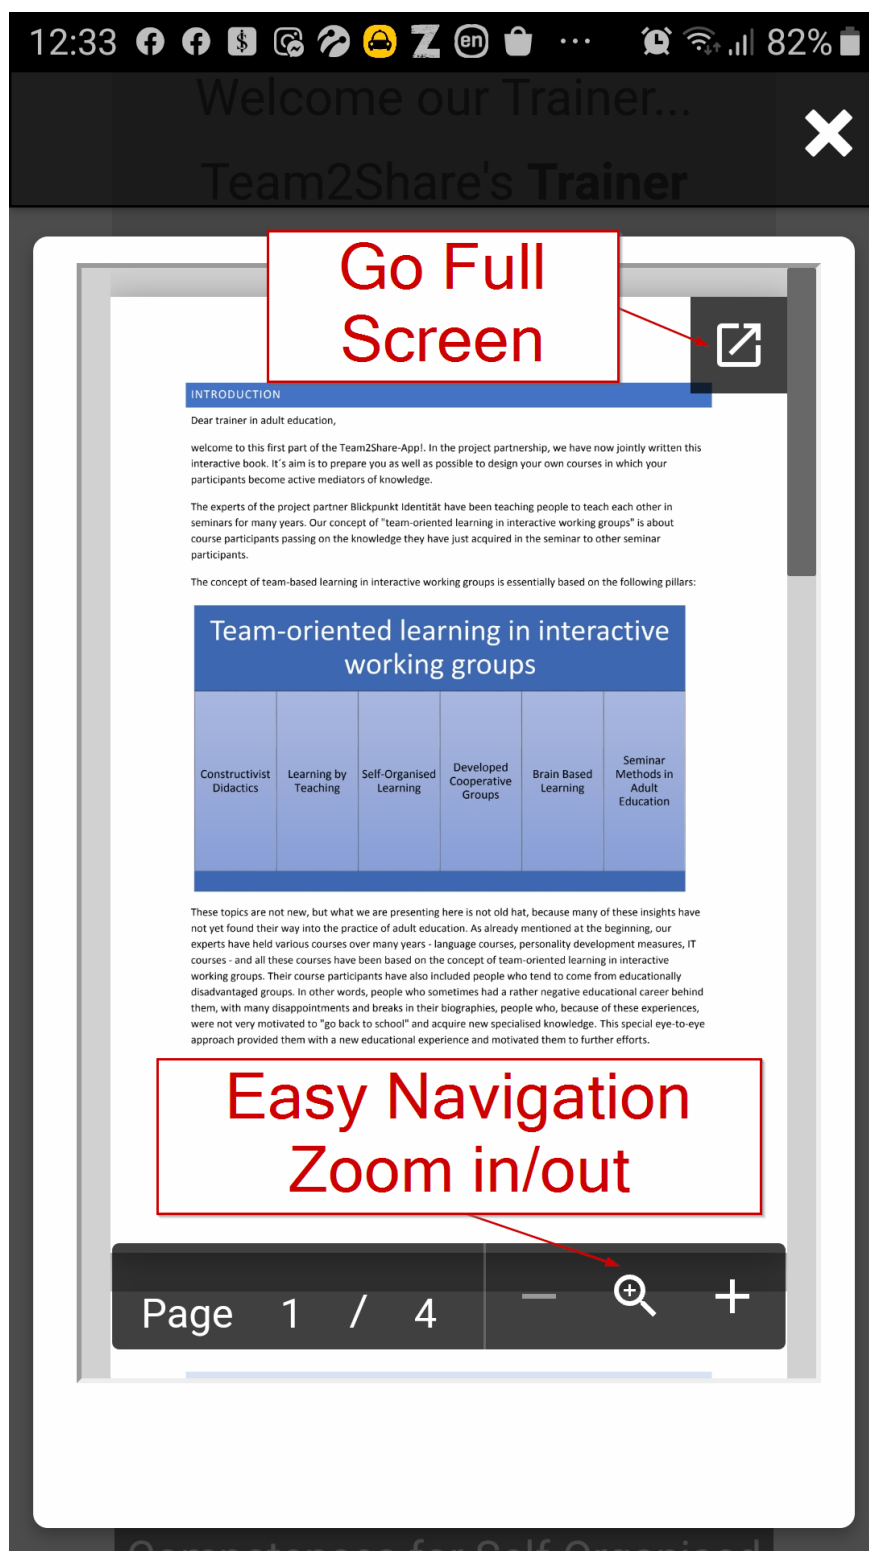

Following to launching to the App after language selection (or automatic language selection); primary screen will display chapters in two sections and a link for this guidebook at bottom.

6. Displaying Chapters

Simply tap on the preferred chapters to display the their contents.

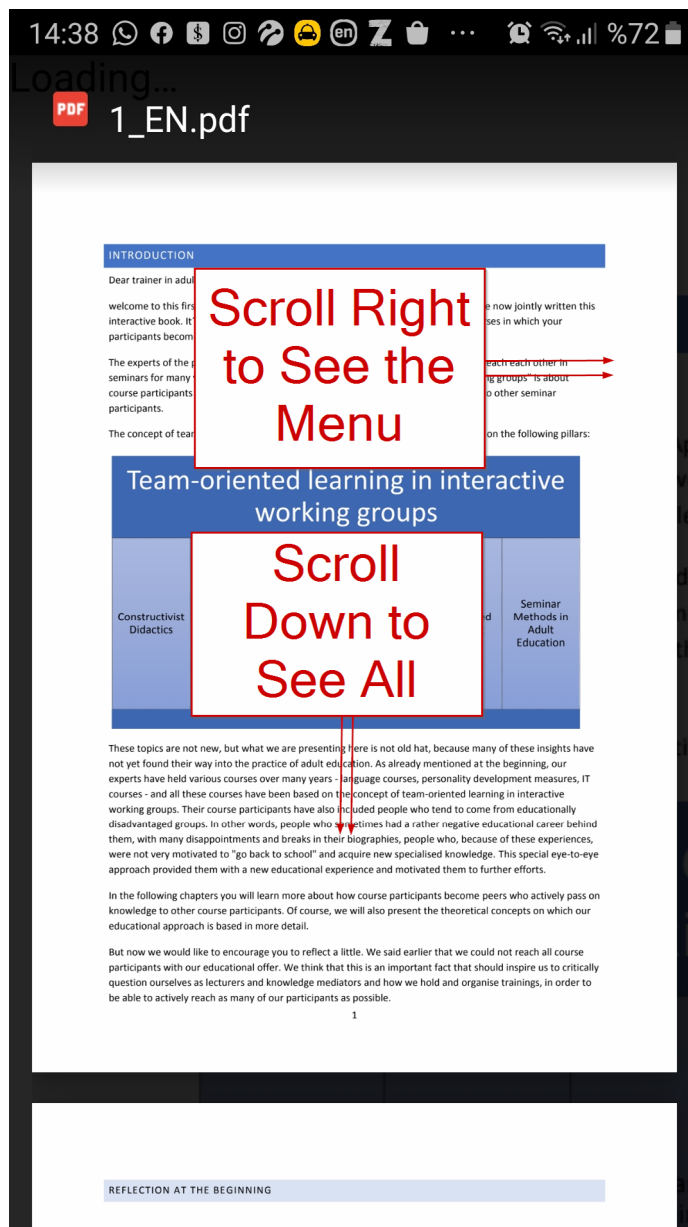

7. Chapter Navigation

Just scroll up and down to study the content. You may use bottom menu for zooming in and out.

Full screen and zoom in/out menus are auto-hide and you need to tap on the screen to re-display them after they auto-hide.

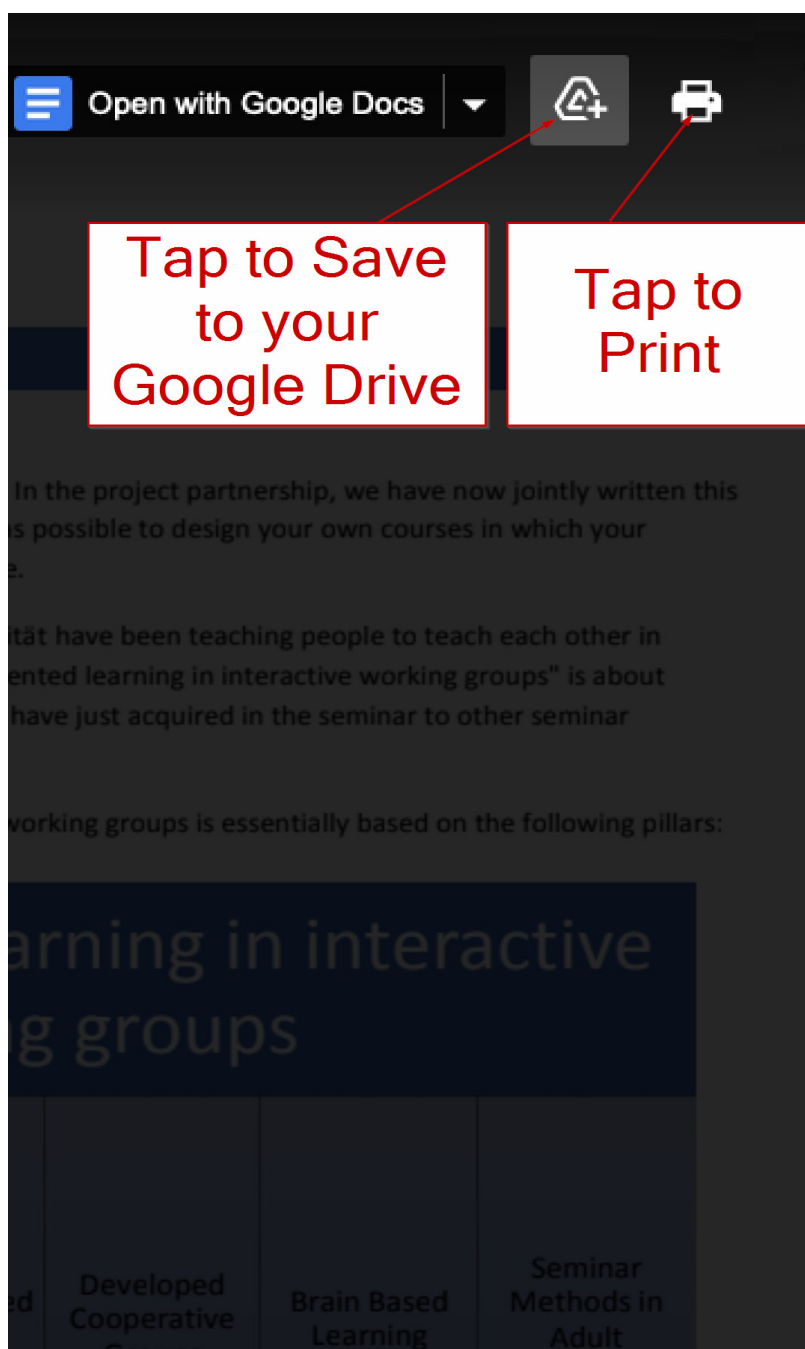

If you click on the "Go Full Screen", you will see another view where you can still scroll down and up for reading. If you scroll right, some other options become available.

8. Scrolling Right

If you are already logged in to your Google account on your Android device, then scroll right and display the Google Docs menu after you display the Chapter in full screen. Then by using the Save to Google Drive button, you may save the Chapter to your Google Drive. Moreover, if you have already installed a printer on your android device, you can print the Chapter by tapping on the Print icon.

9. Practical Training Chapters

Similar to above, same navigation and functions are valid for practical training chapters.

The bottom link displays this Guidebook.
